

*From the Desk of the  
Captain Suzanne E. Englebert*

*Mr. Michael Henry:*

*I would like to extend to you a personal "Thank You" for your participation in the April 27, 2006, Sector Upper Mississippi River Commissioning Ceremony. Your participation as a member of the Bag Pipe contingent was greatly appreciated, especially considering the distance you traveled to be part of this ceremony. Your rendition of "Semper Paratus" was a very special performance and is part of what will ensure this historic event is remembered.*

*Thank You!*
