8 July 2005

Dear Chief Warrant Officer Henry,

Thank you for the outstanding support you provided for the Fifth Coast Guard District Change of Command on June 28th at High Street Landing in Portsmouth, Virginia.

Your participation in the Coast Guard Pipe Band was nothing but spectacular and greatly contributed to the nostalgia of this event. I have received high praise from those in attendance, reflecting great credit on you and the Pipe Band. Your team's can-do attitude and flawless performance made this one of the finest Change of Command ceremonies I've ever attended.

Thank you again for helping to make this time honored tradition a very memorable event. Well done!

Sincerely,
